### EU wheel/CE-mark disclaimer

Products carrying the below wheel-mark has demonstrated compliance with the relevant conformity assessment requirements laid down in the EU Marine Equipment Directive (MED). A wheel-marked product is only compliant with MED if installed and used in accordance to the certificate(s) on which the wheel-mark is based.

In non-certified systems, the affixed wheel mark is to be recognized as a CE-mark. Ref. principles set out in the MED, Chapter 2, Article 9. and the (EU) 765/2008 regulation.
